

MARTINIS
MATISSE

MARTINIS+MATISSE

Featured Art

Neon Garden

by Kate Gausche

Hours of meticulous hand forming and finishing go into creating this organically shaped sculpture. Incorporated into the design are neon LEDs allowing you to cast a glow in any color, pattern or brightness you like, straight from your phone with the included app. Finished in an elegant satin black powder coat, with hand painted gold accents, this mirror will reflect your glamorous tropical style!

Whiz-Bang

by Kelly Nash

Inspired by 1960s and 70s pop art, "Whiz-Bang" is an electric bicycle with a sidecar. Kelly Nash reimagined this piece with bright and playful colors. Incorporated into the design are comic book elements featuring some of your favorite characters, including Archie and Veronica, Superman, Wonder Woman, Bugs Bunny, Spiderman and more!

Meet the Honorary Chairs *Cyndi & Steve Heller*

The Martinis + Matisse Committee and the Clearwater Free Clinic (CFC) are fortunate to have longtime supporters, Cyndi and Steve Heller as the Honorary Chairs. Residents of North Pinellas County since 1981, Cyndi and Steve have served the community on the board of several local organizations. Cyndi became associated with the CFC over 15 years ago serving our board, volunteering as a clerk in the clinic front office, and on the Martinis + Matisse Committee. Steve started his volunteering with the Long Center Foundation and moved to UPARC, now The Arc Tampa Bay. He has held leadership positions with both the Foundation and Agency and is currently Board President of the Arc Tampa Bay. Cyndi and Steve have also been involved with the Junior League of Clearwater Dunedin, the Omelette Party, the Long Center Foundation, Hunter Blood Center/Florida Blood Services, and the Community Dental Clinic to name a few.

The Hellers feel strongly about the importance of giving their time and energy towards helping serve those less fortunate and are looking forward to welcoming all sponsors, guests, vendors, and artists to Martinis + Matisse in January!

Founded in 1981, FrankCrum is a privately held Professional Employer Organization that provides cost effective ways for employers throughout the nation to handle payroll, workers' compensation, human resources, and employee benefits. The FrankCrum family of businesses also includes FrankCrum Staffing, a temporary staffing agency, Frank Winston Crum Insurance, a workers' compensation insurance company, and FrankCrum Insurance Agency. Martinis + Matisse 2023 is the 16th year FrankCrum has hosted this event.

Meet Featured Artist *Kate Gausche*

Kate Gausche is a St. Pete-based metal artist and owner of a design and fabrication shop called Chroma Studio. Growing up in a creative and artistic household, she began her career in the arts early. She taught herself graphic design as a teenager, and then art production and large format printing over the next several years. She began producing and selling canvas prints of her artwork online, and the success of her business led her to open Chroma Studio, the first modern art gallery in Warner Robins, GA, in 2005. With her roots in graphic design, and her computer controlled plasma table, she is able to create her designs digitally then cut them from metal. She welds, bends, torches, and paints the metal to produce artwork celebrating natural and intricate designs.

Meet Featured Artist *Kelly Nash*

A self-taught artist working primarily in acrylic, Kelly's artwork reflects her free spirit and passion for life. She is a third-generation Floridian and was raised sailing and spending time on the beaches of Panama City. After graduating from Auburn University with a history degree, she realized her art was more than just a hobby. Kelly has designed everything from invitations to custom sneakers and wall murals for local charities, individuals, and businesses throughout the Tampa Bay area. She loves finding unique and innovative ways to experiment with her art – most recently through her creation of a totally unique, one-of-a-kind electric bike with a sidecar that will go home with a lucky winner at Martinis + Matisse 2023!

CLEARWATER FREE CLINIC
Health care for uninsured families

BUILDING *Healthy* COMMUNITIES

9.6 Million

in health care for uninsured families last year including:

- mental health
- medical care
- wellness programs
- medications

The Clearwater Free Clinic Saves Lives.

Through the support from volunteers, donors, partners, and the community at large, the Clearwater Free Clinic delivers comprehensive medical care and behavioral health services to low-

income, uninsured families who critically need accessible affordable health care. Patients receive compassionate care from qualified clinicians in a professional environment. We offer a hand up with access to the necessary tools to manage chronic and acute health problems, restoring health and peace of mind. Services include labwork, imaging, medication, pediatric care, educational resources, behavioral health counseling, and a wide range of specialty care. We are proud to serve those in need in our community with your help.

The Clearwater Free Clinic is entirely community funded.
